

## Symbol of strength.

You've trusted **Kaplan State Bank** for its services and stability for more than 80 years. Since opening its doors in 1928, Kaplan State Bank has established a tradition of excellence in banking by keeping its customers' money safe and

growing, by making loans quick and easy, and by providing a full array of banking services.

**Kaplan State Bank recently received another 5-Star rating** for financial strength and stability from BauerFinancial, Inc. This rating is based on a bank's overall financial picture and is only bestowed upon the strongest banks in the nation.
